A hand-drawn mockup of a web browser window. The browser's title bar says "A Web Page". The address bar shows "https://www.metallicacover.com.br". The website header has a navigation menu with links: "SHOWS", "MEDIA", "ABOUT", "CONTACT", "STORE", and "MY ACCOUNT", followed by a shopping cart icon. On the left, there's a placeholder for a logo, represented by a box with an 'X' and a yellow sticky note labeled "logo". The main content area is split into two columns. The left column is titled "Sign into my account!" and contains the text "If you are a registered user, please enter your email and password." Below this are two input fields: "Email Address" and "Password", and a "SUBMIT" button. The right column is titled "New to MetallicaCover.com?" and contains the text "If you want to be updated on new tour dates, merch items or check your order status, just fill out the fields following." Below this are five input fields: "Full name", "Email Address", "Email Confirmation", "Password", and "Password confirmation", followed by a "SUBMIT" button. A grey modal box titled "modal feedback" with a close button is overlaid on the "Sign into my account!" section, containing two lines of redacted text represented by scribbles.
